ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

## G. C. Parrott Gets Ducking

G. C. Parrott went down the river to Swan Pond Sunday. He tried to cross in a nice little boat that was tied up at the bank, but the blooming thing had a hole in it doncher know and G. C. who is a member of the Baptist Church, had a private ducking all by his lonesome. He gathered up a lot of water and some excellent real estate which he brought back to town, having abandoned his attempt to go to Swan Pond.

## Two Barns Destroyed

On Saturday morning fire broke out in the new meat house and and hay room of Supt. E. B. Hemphill, completely destroying the building. The flames communicated themselves to adjoining barn, a big structure belonging to S. H. Jones and the building burned fiercely and was also ruined. For a time the Hemphill home appeared to be in danger, but the roof was kept wet and escaped injury.

It is understood Mr. Hemphill lost considerable hog meat.

## M. E. Ladies Aid

Mrs. Robert Cornett was hostess for the Methodist Ladies Aid Friday afternoon, Dec. 17th at her home on Main Street. Eighteen members were present. During the business session, a report showed that more than one hundred dollars were made at the Bazaar held Dec. 15th. A vote of thanks was given to Mr. A. W. Hopper for the use of his building for the Bazaar.

Mrs. James Kuffman presented a splendid paper, "Yuletide Customs and Traditions," which dealt with the New Year customs of the different nations.

After adjournment a tempting salad course was served.

The next meeting will be held at the home of Mrs. James D. Black, the first Friday in January.

## BAPTIZES GREAT GRANDSON

On Sunday morning eleven children were baptized at the Methodist Episcopal Church one of these being Russell Faulkner, Jr., son of Mr. and Mrs. Russell Faulkner and great grandson of Rev. S. F. Kelley, who personally baptized him. Dr. E. T. Franklin preached an excellent sermon on, "Truly up a child in the way he should go, and when he is old he will not depart from it."

If you like the Advocate, tell others. Costs \$1.50 a year.

## Lawyers Will Banquet

Judge James R. Layman, President of Kentucky Circuit Judges' Association and John R. Gilliam, President of the Commonwealth Attorneys' Association of Kentucky, have issued an announcement to the lawyers of Kentucky, inviting them to join with their organizations in a testimonial dinner to be given Tuesday night, December 28, 1920, in the main dining room of the Seelbach Hotel, Louisville, to the Judges of the Court of Appeals of the State.

The committee has urged the bar throughout the state to make reservations at once for the dinner, as all reservations must be received by Dec. 27. Check for \$3.25 should be sent to Joseph Laureht, Marion E. Taylor Bldg., Louisville, Ky.

## A SURPRISE

The marriage of Miss Nola E. Minton to Mr. Ethan Viall has just been announced to her many friends.

Mr. Viall arrived from New York December 17th. The couple will reside for the present with the bride's parents, Mr. and Mrs. T. W. Minton, on River Street.

Mr. Viall resigned as Editor-in-Chief of one of the largest technical papers in the world recently and will after the first of the year become one of the partners of T. W. Minton & Co. The Hickory Mill boys will welcome Mr. Viall heartily in their midst and he is already accepted as one of the "bunch."

Miss Nola is frank to say that while she expects to give up part of her active business life with the company, she will no doubt appear on the "stage" scene frequently to see what is going on.

The Mountain Advocate wishes to join the many friends of this estimable couple in wishing them long life health and happiness.

## LIGHT NEWS THIS WEEK

Due to the fact that the pot on the linotype in which the metal is kept has sprung a leak and also that Ben H. Gregory and the Editor were called to Pineville by the Commonwealth to testify in the application of Jack Gilbert and Corb Lewis for bond, we are somewhat short of news this week.

## GILBERT-LEWIS BAIL TRIAL

The result of the Gilbert-Lewis bail trial on Wednesday last before Judge Ingram at Pineville, resulted in Gilbert being released from custody on \$5,000 bail and Lewis without bond.

Hon. Caleb Powers, who has been prospecting for coal and surveying in the mountains since the November election, is starting east and will deliver a lecture at the Capitol of West Virginia where he will be introduced by Governor-Elect Morgan.

Mr. and Mrs. J. H. Blackburn

## QUIET WEDDING

Friends here have received the announcement of the marriage of William G. Davis, of Poplar Creek, Knox County, who is now attending Medical College in Louisville, and Miss Fay Johns, of Van Wert, Ohio. Miss Johns taught expression in B. B. I. last year and made many friends in Barbourville.

Mr. and Mrs. Davis will be at home after January fifth at 628 West Broadway, Louisville, Ky.

## UNION GETS DOUBLE HEADER

Thursday night of last week U. C. boys defeated Cumberland College at basketball by a score of 24 to 24, while the girls did the same thing 12 to 9. The game was a good one and was enjoyed by a big crowd.

## TUESDAY CLUB

The Tuesday Club met with Mrs. S. A. Smith at her home on Knox St. Tuesday, Dec. 14th. During the business session it was voted to donate to the Red Cross Loan Closet articles needed by the Red Cross Nurse.

Mrs. F. D. Sampson acted as leader of the literary session and conducted an interesting and instructive program on a "Review of French History." Each member had been given a topic and in answer to roll call presented what she had prepared. Thus the whole history was presented in outline. Mrs. Fred Burman had a paper on the "Reformation" covering the lives of Calvin and Luther and the origin of the English Church. Mrs. Bassett Minton presented a well prepared paper on "The Crusades." Mrs. Sampson covered the time of Louis XIV. Miss Ruth Bowman played the French national air as a piano solo which was greatly appreciated.

The members lingered after the literary session and enjoyed chatting while delicious refreshments were served by the hostess assisted by Miss Ruth.

The next meeting will be held at the home of Mrs. W. B. Minton, on College Street, December 28th.

## OH! MY BACK!

The Expression of Many a  
Kidney Sufferer in Barbourville

A stubborn backache is cause  
to suspect kidney trouble. When  
the kidney are inflamed and

twinge in the small of the back,  
that almost takes the breath away.

gish kidneys—relieve aching  
backs. Here's Barbourville proof:

Tyre Lawson says: "I suffered  
with my kidneys off and on for  
twenty years and was down for  
weeks at a time, suffering with  
my back. The pains almost drew  
me double. I could not walk  
straight and often had to lie down  
to rest my back. I could not lift  
anything or do any work and had  
to give up my job. Doan's Kid-  
ney Pills cured me making me  
sound and well. I have had no  
backache or other sign of kidney  
trouble for years."

## TOLEDO WOMAN GAINED 24 POUNDS

Suffered For 12 Years But Now Feels  
As Well As She Ever Did  
In Her Life

"I have actually gained twenty four pounds in weight in the last few weeks, and but for Tanlac I don't believe I would be alive today," said Mrs. Gertrude Gardee, of 528 1-2 Broadway street, Toledo, Ohio.

"For the last twelve years I have been in a terribly poor state of health and getting worse all the time. My appetite was so poor I just had to force down everything I ate, and always after meals I had sharp pains in the pit of my stomach and a burning there that felt like a coal of fire, and I suffered agonies from the gas that was always forming.

"I was so nervous I shook like a leaf, I had almost forgotten how it felt to lie down and sleep quietly all through the night. There was a swelling in my feet and legs that bothered me a great deal, and I was so weak I could break down if I tried to do anything about my housework. I thought my housework, I just about half dead, and I had taken so much medicine that I had despaired of my life.

"Now, nobody could have seen me. I had been through such sufferings. My appetite was splendid. I feel hungry all the time, and never have to suffer for fear of the miseries I used to suffer. For every day I feel as well as I ever did in my life.

"The swelling has disappeared from my feet and legs and never have a particle of nervousness. I sleep fine now, and in the mornings feel so good it's nothing for me to take care of my two children and do all my housework."

Tanlac is sold in Harboursville at the Cut-Rate-Drug Store; in Artemus by J. G. Haskin and in Permain by N. J. Faulkner & Co.—Advt.

Hillbrand, representing the Young Men's Christian Association; Miss Sarah S. Lyon, representing the Young Women's Christian Association; Dr. Arthur Brown, representing the Federal Council of Churches of Christ in America.

It is the purpose of the Council to raise \$20,000,000, in an appeal centering in the Christmas holidays, to the end that the desperate situation regarding child life may be met. In every town and community of the nation, it is planned, local committees, representing all the co-operating agencies will be formed to secure the vitally necessary funds. Of the amount sought, \$20,000,000 will be used for basic food and \$10,000,000 for medical service.

For every one of these American dollars the local governments and communities aided will furnish two dollars, in the form of transportation, labor, guards, clerical help, cash contributions and such food supplies as are locally obtainable. No children receive the free food except after medical tests showing them to be seriously undernourished. The remaining \$10,000,000 of the fund is just as urgently needed for medical service to the children.

The European Relief Council will do much more than effect economies in the raising of the child saving fund. It will, with the inspecting forces of eight great agencies, keep a constant eye on the administration of America's merciful gift. In order that there shall be no waste and no tendency toward nepotism.

"This is the biggest co-operative benevolent organization ever attempted in the United States," Mr. Hoover says. "The organizations represented have come to the conclusion, though independently formed, that nothing but prompt and united action by the whole American people can avert incredible tragedy for the helpless children involved. The organizations forming the Council will organize their representatives in every town and county of the nation for the raising of the necessary funds."

### Pleads for Europe's Helpless Children

"They are no more my children than yours," is Herbert Hoover's lonely yet eloquent plea for 3,500,000 European children who face incredible tragedy this winter unless American comes to their rescue. The funds by which American aid has been feeding and clothing have run out and that the work may not stop and thus precipitate what would amount to a massacre of the innocents. The other great American relief agencies have united with Mr. Hoover's organization under the name of the European Relief Council in a joint appeal for funds. The collaborating agencies are the American Friends' Service Committee (Quakers), the Jewish Joint Distribution Committee, the Federal Council of Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A.

We would thank each one in person, but that is impossi-

## A Merry Christmas and a Happy New Year

We are nearing the Birth of a New Year, and the close  
of each day brings us one step nearer the tomb of this one.

Pause for a brief moment of tranquil thought and con-  
template the flight of time. Look back over the dying  
embers of the days that are gone and seek among the  
bleaching ashes of your past deeds for an inspiration that  
will spur you on to greater achievements.

May the dawn of Christmas morning break clear for you  
and yours, and may each golden sun-beam come laden  
with joy, and may the New Year be heralded by peace,  
prosperity, health and happiness, is my sincere wish.

ed home would be a poor Christmas  
gift.

The five hogs killed by Dr. Tip  
Jones weighed about 1,100 pounds.  
Two were 700 each, one 850 and one  
600. They were fed on corn and

stop from the home. The lard ren-  
dered weighed 900 pounds and the  
sausage made weighed 200 pounds.  
The task of helping the Govern-  
ment departments make possible the  
return of soldiers and sailors to civil  
life still calls for Red Cross support  
in all communities throughout the land.
